

Décor Elements in Schools :: Ceiling-Hung Pieces

▲ 1950's bowling theme of Arroyo Valley High School in San Bernardino, California.

▲ Grab 'n' Go signage combined with colorful metal grid ceiling décor directs the students to this quick serve area.

▲ "S"-curved décor pieces at Edison High School in Miami, Florida.

◀ Large S-curved gold aluminum décor at Centennial High School in Compton, California.

▲ An interesting half-circle décor piece at Weslaco High School.

▶ Varied shapes of ceiling hung décor pieces of Compton High School in Compton, California.

Décor Elements in Schools :: Ceiling-Hung Pieces

- ▶ Clouds hanging in the Roosevelt Middle School jungle themed dining room in Compton, California.

Décor Elements in Schools :: Freestanding Pieces

- ▼ Greek columns with green vines at San Geronio High School in San Bernardino, CA creates a central theme in the dining area.

Décor Elements in Schools :: Kiosks

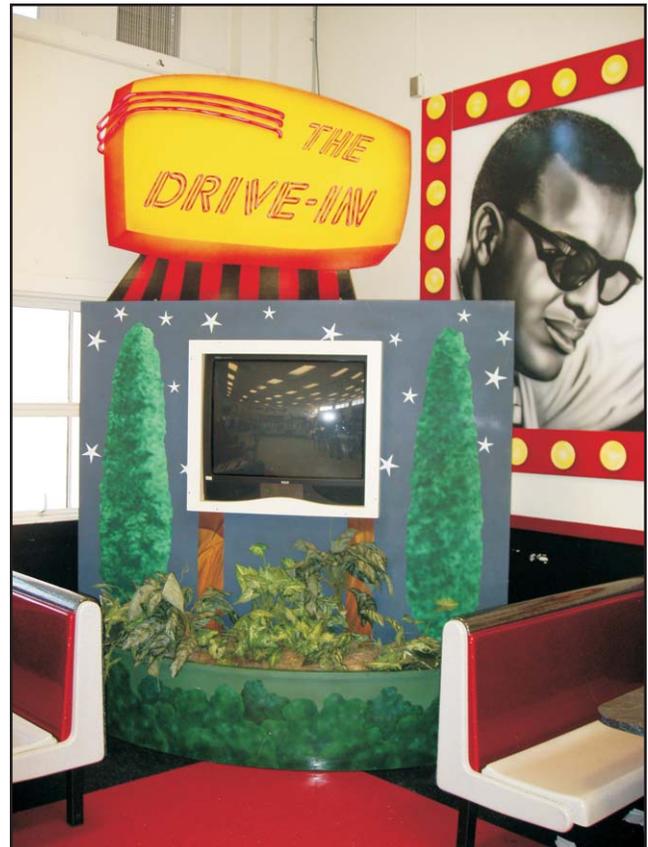

▲ A Pirates treasure of a'la Carte items is served from this island snack shack at Pacific High School in San Bernardino, California.

▲ An Old West country store houses two TVs at Cajon High School in San Bernardino, California.

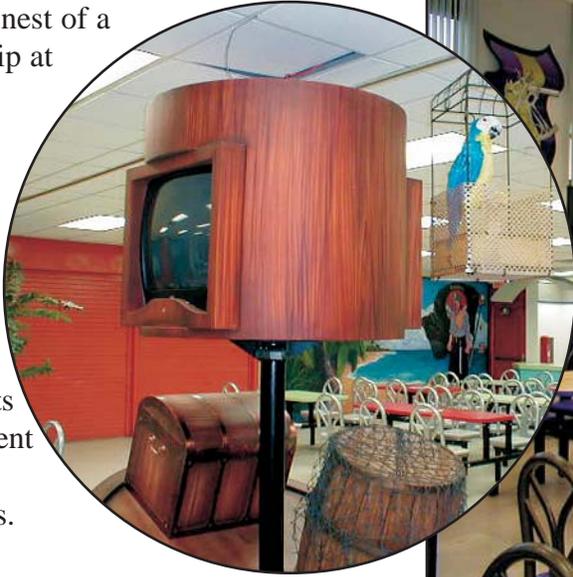

▲ The centerpiece of our Spartan theme at San Gorgonio High School in San Bernardino, California is the Greek temple with columns.

▲ In a '50s Rock 'n' Roll themed dining room at San Bernardino High School, we put a huge drive-in kiosk with TVs included.

Décor Elements in Schools :: Kiosks

► Crows nest of a pirate ship at Miami Edison High School has two TVs to project sports highlights and student prepared programs.

▲ The pirate ship at Pacific High School in San Bernardino, CA with VCR controls in the treasure chest.

▲ A western theme snack shack at Serrano Middle School in San Bernardino, CA has the tiger mascot on the exterior wall.

▲ A bamboo kiosk with two televisions at South Intermediate School in Broken Arrow, Oklahoma, for a jungle themed dining room.

Décor Elements in Schools :: Dividers

▲ Carved metal music notes and bars highlight the rich band and choral tradition at Pasadena High School. Plants with exotic leafage add color to the room.

▲ At Mt. Whitney High School we routed the school mascot name into the half-wall, added railings, and planters with leafy greenery.

▼ Glass blocks and outrageously large jungle greenery make the half-walls at South Intermediate School in Broken Arrow, Oklahoma, fun to look at.

▲ Halfwalls with colorful modern art and planter boxes with interesting local greenery at Miami Edison High School.

▼ The dividers have a blue sea wave design, complimenting the caribbean pirate theme.

Décor Elements in Schools :: Dividers

◀ At Compton High School, we created a whimsical metal open divider wall with a freeform wire design.

▶ Centennial High School in Compton, California has an “S” shaped banquette seating area in the middle of the room – kids rush to sit in this section.

▼◀ The half-wall memorabilia boxes at Arroyo Valley High School in San Bernardino, California, have 1950’s bowling and music items — just like “Laverne & Shirley”
